USER'S REQUEST FOR DELIVERY OF WATER

Address Lowheart, Mo.
Date May 28 / 28
Heston
(Ditch Rider)

I hereby request you to deliver water on May 28
(Give time and date)
from lateral No. E at turnout No. 161 or station
No. _____ or near _____

(If station or structure number can not be given state approximate location of structure or point where water is to be delivered.)

The water will be used in irrigating the following described tract of land SW 1/4 SE 1/4 32 4 3
Subdivision Section Township and Range
comprising approximately 15 acres, cropped in alfalfa and will be required for a service period of 15 days and _____ hours.
Robert Cleveland
Water User.

NOTE—A separate request is to be made for each turnout and a separate request is to be made for each forty-acre tract, even though a single turnout serves more than one forty. All office records refer to forty-acre tracts, hence this requirement. These requests must be handed to or mailed to ditch rider or deposited in a water request box 48 hours in advance of the time water is required.
